ABOUT DIPS

Durga Institute of Paramedical Sciences (DIPS), Haldwani, established in 2018, provides quality education and professional training in paramedical and allied healthcare sciences.

With a focus on theory, practical training and clinical exposure, DIPS prepares students to become competent, confident, ethical and responsible healthcare professionals. Our curriculum also emphasizes professional discipline, communication, teamwork and patient-care skills.

Why Choose DIPS?

Practical & Clinical Learning

DIPS focuses on practical training and clinical exposure for real-world healthcare skills.

Well-Equipped Laboratories

DIPS offers modern laboratories and practical facilities for hands-on technical learning.

Experienced & Dedicated Faculty

Our faculty builds students' knowledge, practical skills, and professional confidence.

Exposure to the Healthcare Environment

Students gain practical and clinical exposure to real healthcare environments.
